## NMC FUND DRIVE UNDER WAY

### UNION BUILDING REJUVINATED

The Quanset Hut received much needed cleaning, painting, and repairing over Christmas vacation. Pat Bigger and Bill Bright, C.C. members, and Ruth Kiessel took the initiative, scrubbing the floor and furniture, and remaking the drapes.

They applied Fab-Spray, a product which gives color to fabrics, to the furniture after cleaning it.

Ted Durga re-painted the floor and packed insulation around the edges. He also repaired some of the furniture.

The Council has requested the cooperation of the students in keeping the Student Union clean and in repair.

### Winter Term Enrollment About 130

With winter term enrollments still incomplete, it now seems likely that the final figure will be 130 or more. While some students left at the end of the fall term to go to work or enter military service, eight new students have enrolled to date.

Two veterans, Eddan Hancock from Buckley and David Mead from Luther have enrolled with the beginning of the new term.

Among the new part time students are Robert Graesser and Frederick Winowiecki of Traverse City and Gertrude Mellenitz, a newcomer to Traverse City from Zirsdunen, Germany.

The NMC winter term enrollment dropped 13.4 per cent over fall term enrollment. The average drop in college enrollments between fall and winter terms is about 15 per cent.

### \$150,000 GOAL

A fund raising drive for new NMC buildings was started this week. It is expected that \$150,000 will be raised by solicitating from the general public of the five-county area.

This money will be used to complete the two classrooms under construction now plus an administration building and corridors to be finished for the 1953 fall term.

The Campaign was organized and is being conducted under the direction of Paul Gustafson.

The present campaign is designed for the public of the five county area. It follows a separate drive not yet completed. It solicits funds from the township and county governments of the area.

### SPANISH CLUB ACTIVATED

A group of people with some knowledge of Spanish met today to organize a club. The club will study the Spanish language and Spanish customs.

Joe Mariage was elected President, Joy Kyser Vice-president-program chairman, and Kathy Grailick, Secretary-treasurer.

The club will meet alternately at 11:00 A.M. and 5:30 P. M. on Thursdays.

Membership is still open to anyone with any knowledge of the Spanish language.

### BULLETIN!

Sedric Foster, noted news commentator, may visit N.M.C. sometime this week.

EDITORIAL

THIS IS TODAY

Today is here. I will start with a smile, and resolve to be agreeable. I will not criticise. I refuse to waste my valuable time.

Today has one thing in which I know I am equal with others --TIME. All of us draw the same salary in seconds, minutes, hours.

Today I will not waste any time, because the minutes I wasted yesterday are as lost as a vanished thought.

Today I refuse to spend time worrying about what might happen. I am going to spend my time making things happen.

Today I am determined to study to improve myself, for tomorrow I may be wanted, and I must not be found lacking.

Today I am determined to do things I should do. I firmly determined to stop doing the things I should not do.

Today I begin by doing, and not wasting my time. In one week I will be miles beyond the person I am today.

Today I will not imagine what I would do if things were different. They are NOT different. I will make success with the material I have.

Today I will stop saying, "If I had time," for I never will "find time" for anything; if I want time I must take it.

Today I will act toward other people as though this might be my last day on earth. I will not wait for tomorrow. Tomorrow never comes.

Even if you are on the right track, you will get run over if you just sit there.
