

NOR'WESTER ELECTION EXTRA

As is customary before College Council elections, the NOR'WESTER has prepared an election extra to better acquaint the student body with their nominees. Tomorrow is the day we will all cast our vote to elect three qualified freshmen who will represent us during the fall and winter terms. Our College Council is an important governing body, more so than high school student councils. The present Council, which was elected last spring term is doing a fine job, but it is imperative that we elect three more ambitious, hard-working members with initiative and new ideas. Popularity won't mean a thing when work begins, and we all want to be proud of what our Council and students do. Ability is what counts; let's put three in who have it!!!

The system of voting used is proportional representation where each individual votes according to his choice (first, second, third, etc.) for all candidates running. Remember, do not use an "x" for your choice--vote by number.

BALENTINE, TOM

Traverse City

Liberal Arts Program
